

Tomorrow

THE WORLD

IS YOURS!

RIO, with guitars throbbing through the blue Brazilian night . . . Bagdad, where high-laden camels sway through narrow, latticed streets . . . Port Said, kaleidoscope of color, babel of a hundred foreign tongues: Tomorrow, via air, the world is yours!

No flights of fancy are these flights of the future. Even now Martin aircraft are speeding the tools of war to the four corners of the globe. And when, after Victory, these lifelines become airlines, you will see and know the far lands of romance. Via air, two-week vacations will equal two months'

today. Via air, all nations will be neighbors, drawn together by bonds of travel and commerce. Via air, the peoples of the world will come to know each other, thus building for permanent peace.

YOUR TICKET TO RIMWANCE is a U. S. War Bond. Each Bond you buy hastens the day of Victory . . . the day when aviation turns

from the wings of war to the wings of peace. Already on Martin drawing boards lie complete designs for giant airliners of 125 tons, capable of carrying scores of passengers, tons of freight, to the farthest of horizons. Other Martin aircraft of 360 tons and more are being planned. You can help translate these great plans into reality. You can help build the breath-taking new world of the future. Buy War Bonds to the limit of your ability . . . for your country today, for you tomorrow.
